### **Infinite Campus Announces New Channel Partnership in Georgia**

June 19, 2006 Arden Hills, Minn., – Infinite Campus, Inc. of Arden Hills, Minn. is pleased to announce a new channel partnership with K-12 Solutions Group of Commerce, Georgia. Infinite Campus, a comprehensive education management system, helps K-12 educators manage data for students in 22 states.

K-12 Solutions Group is a technology solutions firm offering software services, systems integration and support solutions to schools in Georgia.

“We are pleased to announce this channel partnership with K-12 Solutions Group,” says Charlie Kratsch, CEO and founder of Infinite Campus. “Their 30 plus years of expertise developing and supporting student information systems along with their value added services will give Infinite Campus customers the satisfaction they expect from their Infinite Campus investment.”

K-12 Solutions Group, with hands on experience of the K-12 market, offers proven solutions and services to meet the needs of educators and education administration.

“We are pleased to partner with Infinite Campus,” says Brock Wilson, CIO, K-12 Solutions Group. “Its unparalleled functionality is a must have for school districts. The integrated architecture makes all activities seamless and provides an easy-to-use system for all parties involved.”

The partnership was effective June 15, 2006.
