Infinite Campus Receives Positive Rating in K12 SIS MarketScope Report

Oct. 1, 2007 – Arden Hills, Minn., – Infinite Campus, Inc. today announced that it received a “Positive” rating in Gartner’s “MarketScope for K-12 Student Information Systems, 2007” authored by Bill Rust and Marti Harris dated Sept. 21, 2007. Infinite Campus was one of five vendors evaluated in the report, receiving a positive rating.

“Our customers have been reaping the benefits of a comprehensive, web-based enterprise system for more than 13 years,” said Charlie Kratsch, founder and CEO of Infinite Campus. “We believe Gartner’s “Positive” rating confirms the position of Infinite Campus as an industry innovator and underscores our commitment to transforming K12 education.”

Gartner’s MarketScope provides specific guidance for users who are deploying, or have deployed, products or services. To be considered for inclusion in the MarketScope, the SIS vendor must have clients (in production or under contract) in at least 20 of the 500 largest public school districts in the United States and vendors with one statewide implementation were also considered.
