

FOR IMMEDIATE RELEASE

St. Augustine Preparatory Academy, Wisconsin, Selects Infinite Campus

January 3, 2017 – BLAINE, MINN. – Infinite Campus was selected by St. Augustine Preparatory Academy for its student information system (SIS). The new K4-12 Christian school in Milwaukee chose Campus because it's scalable for future demands and offers a user friendly, modern interface. Infinite Campus, the most trusted name in student information, supports more than 50 percent of Wisconsin students.

Nathan Carlberg, who will serve as the Elementary Principal, said Infinite Campus came highly recommended to him by other members of the community. "I also noticed that the other schools using Campus stood out. They are high achieving and successful, so I knew it was a company we'd want to partner with," he said.

Carlberg had experience with other vendors in previous roles, but knew Augustine Prep was looking for an SIS that was more robust. After reviewing 15 SIS vendors and narrowing it down to the top three, Carlberg said the choice was clear. "Infinite Campus, in our opinion, is the superior product and does everything we need it to and more. Infinite Campus blew us away."

Built from the ground up, Infinite Campus' multi-tier architecture supports districts of any size. "We appreciate that it's a product we can grow into. We'll have the option to put ourselves in new places if that's what we want to do," said Carlberg. Whether districts have less than 20 or more than 300,000 students, Campus SIS scales to meet specific needs.

Infinite Campus SIS offers mobile apps to give parents and students access to educational information from anywhere at any time. "While internet might be a high commodity, we know most people have phones," said Carlberg. "The app will allow parents to keep track of academic progress and allow us to communicate with them. We're really excited about this because it will allow us to navigate some of the technology gaps and hurdles while still providing families with essential information."

The school is scheduled to go live in summer 2017.

About St. Augustine Preparatory Academy

St. Augustine Preparatory Academy is a new K4-12 Christian school coming to Milwaukee's south side at 2607 South 5th Street in summer 2017. The school will be a student-centered environment where young learners take ownership of their education not only in academics, but also physical health, creativity, and faith. <http://www.augprep.org/>

About Infinite Campus

As the most trusted name in student information, Infinite Campus manages 7.7 million students in 45 states. For more than 20 years, Infinite Campus has successfully implemented its solutions for customers of all sizes, from those with fewer than 100 students to those with more than 600,000 students. Infinite Campus customers include school districts, regional consortia, state departments of education and the federal government. www.infinitecampus.com
