**Infinite Campus Selected as Finalist for 2016 HDI Team Excellence Award**

**April 19, 2016 – Blaine, Minn.** – HDI, the first membership association and certification body created for the technical support industry, recently announced finalists for a series of prestigious industry awards. Each year, HDI recognizes individuals, teams and organizations that have enhanced the image of the technical support industry by achieving and maintaining the highest standards of quality and customer satisfaction. Infinite Campus was selected as a finalist for the 2016 HDI Team Excellence Award, which it won in 2013.

“At Infinite Campus, we strive to consistently provide our customers with an innovative student information system. We recognize that our solutions are only as valuable as the accompanying service and support we deliver,” says Gina Montague, Support Manager at Infinite Campus. “Being recognized by HDI acknowledges our team’s hard work and dedication to doing the right thing for our customers and peers. We are honored to be recognized by HDI as a leader in the support industry.”

Each award was reviewed by a specific panel of distinguished and expert judges tasked with selecting the industry's top team, manager, analyst, desktop support technician, and local chapter officer. This year's judging panels carefully reviewed more than 350 submissions for five award categories, ultimately selecting nearly 20 deserving finalists for the awards.

"We want to congratulate all HDI award finalists for their commitment to excellence, efficiency, and elevating the customer experience," says Leslie Cook, HDI's director of membership. "HDI's awards are renowned throughout the industry as one of the best ways to recognize and reward professional achievement, and our judges don't take their selection responsibility lightly."

**About Infinite Campus**

As the most trusted name in student information, Infinite Campus manages 7.7 million students in 45 states. For more than 20 years, Infinite Campus has successfully implemented its solutions for customers of all sizes, from those with fewer than 100 students to those with more than 600,000 students. Infinite Campus customers include school districts, regional consortia, state departments of education and the federal government. [www.infinitecampus.com](http://www.infinitecampus.com)

**About HDI**

Founded in 1989, HDI is the first membership association and certification body created for the technical support industry. Since then, HDI has remained the source for professional development by offering the resources needed to promote organization-wide success through exceptional customer service. In other words, we help professionals in service management better serve customers. We do this by facilitating collaboration and networking, hosting acclaimed conferences and events, producing renowned publications and research, certifying and training thousands of professionals each year, and connecting solution providers with practitioners. Learn more at <http://www.thinkhdi.com/>. HDI is organized by UBM Americas, a part of UBM plc (UBM.L), an Events First marketing and communications services business.
