Infinite Campus Launches Two New Apps: Campus Student and Campus Parent

September 27, 2018 – Blaine, Minn. – Infinite Campus is excited to announce the launch of two new apps: Campus Student (for students) and Campus Parent (for parents). The intuitive apps, which will replace the legacy Mobile Portal App later this school year, provide tailored user experiences with real-time access to more student information.

Students and parents can easily access:

- Announcements: See district messages
- Assignments: Browse assignments by specific class or due date
- Attendance: Review attendance events in summary and detail form
- Grades: Immediate access to grades as they are posted
- Schedule: Review schedule from anywhere, at any time

“We are excited to put new information in the hands of our parents and students,” said Dr. Barry Brahier, Product Manager for Teaching and Learning at Infinite Campus. “The modern, user-friendly design displays exactly the same information as our browser-based application so parents and students can understand, monitor, and participate in the educational process no matter what device they are using.”
