EASTCONN Partners with Infinite Campus

June 14, 2019 – Blaine, Minn. – Infinite Campus and EASTCONN announced their new strategic partnership to provide training and support services to Connecticut school districts. Infinite Campus student information system customers now have the option of receiving support from EASTCONN's team of applications specialists, leveraging their familiarity and knowledge of Connecticut education initiatives and state reporting mandates and requirements.

"We are excited to partner with EASTCONN, a leading and well-respected educational service agency," said Dave Noles, Partner Alliance Manager at Infinite Campus. "Connecticut school districts will benefit from this partnership through access to additional, local resources. Prospective Infinite Campus districts in Connecticut will continue working with Custom Computer Specialists, our long-standing channel partner based in New York."

Headquartered in Hampton, Connecticut, EASTCONN is a public, non-profit, Regional Educational Service Center that has been serving the education needs of northeastern Connecticut's schools and communities since 1980.

"EASTCONN is very pleased to be adding Infinite Campus products to our education support toolkit," said Linda Brock, Student Information Specialist. "We look forward to expanding our implementation, customization and training services to districts with this outstanding suite of student information and learning management applications."
