CLARK COUNTY PUBLIC SCHOOLS | 5,171 STUDENTS

“Infinite Campus has been a blessing for our district. It has enabled us to **communicate with parents in a more efficient way.**”

Jennifer Winburn, Data & Student Information Coordinator

RIRIE JOINT SCHOOL DISTRICT 252 | 723 STUDENTS

“I would recommend Infinite Campus to other districts because it contains all the components you need to run your district from basic student information to scheduling, parent messaging and food service. **Switching to Infinite Campus brought us quickly into the 21st century!**”

Jane Christensen, Infinite Campus Administrator

OTTAWA AREA ISD | 25,000 STUDENTS

“Infinite Campus is a **forward-thinking company with goals to improve education**, not just a data management system. I think this sets them apart from all other companies. It is one of the best products, if not the best product on the market today. It is the most complete system from top to bottom, organized into an easy-to-use Web-based interface. The support team is friendly and resolves cases in a timely manner.”

Greg Shepard, Enterprise Data Systems Manager

ST. AUGUSTINE PREPARATORY ACADEMY | 892 STUDENTS

“I noticed that the other schools using Campus stood out. They are high achieving and successful, so I knew it was a company we'd want to partner with. **Infinite Campus is the superior product and does everything we need it to and more.** Infinite Campus blew us away. We appreciate that it's a product we can grow into. We'll have the option to put ourselves in new places if that's what we want to do.”

Nathan Carlberg, Elementary Principal

WEST CLARK COMMUNITY SCHOOLS | 4,702 STUDENTS

“Infinite Campus has **eased the minds of many in Administration** in regards to data reliability.”

Jerry W. Smith, Director of Technology

AUGUSTA COUNTY PUBLIC SCHOOLS | 10,407 STUDENTS

“Our implementation went very well and we were pleased with the support from all the conversion people who went the extra mile to help us. If we need it right away, Campus delivers it right away. We have more than a dozen vendors and **Campus is the most responsive.** Timeliness in response...it's a game changer.”

Frank Walters, SIS Manager

PRIOR LAKE-SAVAGE AREA SCHOOLS | 8,574 STUDENTS

“I would recommend Infinite Campus to other districts because it is user friendly, easy to navigate and intuitive. They take data privacy very seriously. The support from the company is phenomenal. Switching from our previous SIS vendor to Infinite Campus was a smooth and easy transition. Our implementation team stood right beside us every step of the way. **The training was excellent and timely.**”

Lynn Wieczorek, Data Systems Specialist

SOUTH-WESTERN CITY SCHOOL DISTRICT | 22,749 STUDENTS

“In Campus, **you can do almost anything in terms of filters and data through ad hoc reporting** and customization of tabs and fields.”

Robert Kramer, Programmer on the Data Center team
